### Rail Services EU-IR

#### Project cargoes shipped smoothly

As a pioneer in transport business, everyday we are looking for **new routes and solutions** that are more rate reasonable and time flexible so they will result in gratifying services from our side and more **convenient** for our clients. Such solutions could bring new **opportunities** for Hoorand's clients and they will be one step ahead of their competitors in this growing market.

Hoorand is now offering **rail services** from all over **Europe to Iran and Turkey**. By using this route you could benefit from the lower freight charges on your mass cargoes; This will reason in lower total costs on your purchase and you could bring your quality merchandise with a reasonable rate in the market than your competitors; Therefore all parties - supplier, consignee and consumer - will benefit.

If you are purchasing from a manufacturer locate in a small city in Europe there will be **nothing to worry about**, by using our large network we will handle your cargo from the **supplier's warehouse till destination**.
