### Special cargoes - Our experience

#### Project / Oversize / Overweight

Hoorand team is well experienced for your **project / Oversize / Overweight** cargoes. We will consider your demands and check all possibilities for transportation at the time; The outcome will be more than one solution which will be offered for your shipment.

For your project cargoes we will offer regular and convenient services with reasonable freights.

On Oversize/Overweight cargoes we could offer multimodal transport including Road / Sea / Rail.

We will study each mode of transport from all aspects and will propose the best solution for your cargo. We may reach to more than one good solution for your shipment. After checking the financial and technical issues of the transportation we will start according to your request and instructions.

**We will Handle, No Matter what you load is...**
